Last Thursday night we held our annual Awards Night. This is a night of celebration for our Year 10s as they complete this part of the academic journey. We celebrate the achievements of all our secondary students and we recognise the achievements of our Year 6 students. I was very proud of our students as they entertained the audience. There were so many very funny moments. I congratulate the students on their exemplary behaviour. Well Done to the Students of Quinalow Prep-10 State School.

Behind every school event is the hard work of the staff of Quinalow Prep-10 State School. Our staff did us proud with the writing, creating, sewing and rehearsing their act for the night.

P& C Meeting - Tuesday 22 November at 7:00 pm
I will be tabling our Parent & Community Engagement Framework for the P & C endorsement. This framework was reviewed by staff and parents over the last few months. This document will give us direction on supporting parent engagement on their children’s learning. The framework will be sent out again for all parent and community members to peruse for Tuesday’s meeting.

Pre-prep Days – 24th Nov
Our pre-preps will join our Prep-1 class next Thursday. They will participate in a swimming lesson and a maths activity. All pre-preps will require an adult or secondary student in the pool with them. I know you will enjoy the session.

Quinalow District Swimming Carnival – 25th Nov
We are very happy to announce we are hosting the very first Quinalow District Swimming Carnival. We welcome Bowenville, Jondaryan, Kaimkillenbun and Kulpi to the first of many swimming carnivals. More information to follow.

Christmas Church Service will be held Tuesday 29th November 9:30am at Maclagan Lutheran Church.

Report Cards will be handed out on Thursday 8th December and the Year 10s report cards will be posted out during Week 10. Mrs Portbury’s report cards will be handed out on Wednesday 30th Nov due to Mrs Portbury going on Long Service Leave in Week 10. This will give parents an opportunity to catch up with Mrs Portbury on Thursday (1st Dec) or Friday (2nd Dec) to discuss their children’s report.

‘If the plan doesn’t work, change the plan, but never the goal.’

Be safe  
Be happy

From the classroom

Prep/Year 1 - Well done to all the Prep/1’s for a fantastic performance on Awards Night. All the practising paid off! We have to say “It’s a good one kids! It’s a good one!”

The children have been enjoying swimming on Thursdays and next week we are joined by the pre-preps. I’m sure everyone is looking forward to a refreshing dip!

Come and check out our new umbrella outside our room. Once our gardens start to grow our outdoor area will be beautiful.

Year 1/2 - This term students have been learning about earth’s resources in Science. During our Geography lessons students have been learning about different places and how we connect with them. In Art, students have been creating a collage using a variety of pictures. Within our design and technology unit students have been building a range of different objects and are looking forward to showing their parents.

Year 3-5 - We welcome Mr Ashley Genrich to the year 3-5 class while Mrs Williams is on leave until the 25th of November. We are currently working on assessment tasks in class.

A huge congratulations to our class for a fantastic performance at Awards night. The students did an exceptional job, and most of all enjoyed themselves. We hope you also enjoyed our Roald Dahl revolting rhyme of "Snow White and the Seven Dwarfs".

Mrs Marley-Quinn and I thoroughly enjoyed taking our students to the Jondaryan cricket carnival on Friday. They all played really well, helping out other teams when needed and showed great sportsmanship at all times. Well done, team. Thank you to Mr Williams for umpiring for us, it was much appreciated.
