Our fantastic Tuckshop will be open for business. The menu is on page 3. The Prep-Yr 2 students and students, who are not involved with the carnival, can order and have lunch/afternoon tea at their normal times.

On Thursday Mr Gary Austen (reviewer) and Mr Ross Higgins (Assistant Regional Director) will be on site to review our progress over the last few weeks. If you wish to speak with Mr Austen or Mr Higgins please contact the office for a time.

**From the classroom**

**Prep/1** - Awards night is only one week away and the Prep/1 class have been very busy dancing and practising their item for the night and are very excited about performing. Our gardens outside the classroom are beginning to be filled with plants and the children have been involved in planting all the plants. There is still room for some flower seedlings if parents would like to donate a punnet for the children to plant.

In English the class are writing letters to their favourite book character and in geography they have been learning how to care for special places. The swimming lessons have started and the children are really enjoying having fun whilst learning about water safety.

The **year 3/4/5/6** students have had a great four weeks in Art Rotations making some fantastic items. This week is the beginning of the next four week block. The activities are still cooking, computer sculptures, card making, art and woodwork.

Awards night rehearsals and prop making have started. A note was sent home about roles and costumes last week. Please let us know if you need anything for costumes.
