30th April 2014

Dear Staff, Parents, Students and Community Members,

Quinalow Prep -10 State School is currently engaged in reviewing its operations and developing a futuristic planning agenda to better accommodate the learning needs of our students. Data is currently being reviewed across a wide variety of areas including School Opinion Surveys, NAPLAN results, My School Data, Personal Feedback/Discussions.

I would like your opinion through the anonymous survey attached. To assist us in this task we would appreciate your input and honesty.

Please complete the attached one-page “Traffic Lights Survey” and return it to the school as soon as possible. There is NO REQUIREMENT to identify yourself in the process.

We are seeking honest, open feedback.

Thank you for taking the time to share your views and opinions with us.

Be Happy Be Safe

Susan Booth
Principal
QUINALOW PREP-10 STATE SCHOOL

NEW VISION – OUR DIRECTION

TRAFFIC LIGHT SURVEY

Please complete and return to school ASAP
Remember this is ANONYMOUS
We want honesty and open feedback!
COME HAVE YOUR SAY!

GO! Please do more of this at Quinalow Prep-10 State School ...

These are the things I really like about our school …… the things I would like to see continued and even further improved. These are the things I believe make our school a ‘good school’.

                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................

WAIT! Have you CONSIDERED doing this at Quinalow Prep-10 State School ...

This is my idea for making our school even better … something to consider!

                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................

STOP! Please STOP doing this at Quinalow Prep-10 State School ...

Is there anything that you don’t like about our school …something you believe needs to change in order to make our school the best place possible for learning.

                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................
                           .................................................................

Thank you very much for sharing your views with our school
