Snapshot report

Under the agreement for 2014
Quinalow Prep-10 State School received $13,459

Our full 2014 agreement can be found here: QSS Great Results Guarantee Agreement

Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement strategies to ensure that every student succeeds.

Strategies implemented include:

• Engaged a special-needs Teacher Aide to work with EBPs including ESL & High performing students. They will use programs which will target specific areas or gaps which are identified as learning goals of the EBPs.

• Developed an alliance with the local Kindergarten (Maclagan Kindy) – visits to and from Quinalow P-2 students with the Kindy students. QSS P-2 will read with Kindy students demonstrating their reading knowledge and skills. Introduced Pre-Prep transition earlier during 2014 and continuing in 2015.

• Developed and created individual portfolios which will show evidence of growth across all KLAs focusing on the Literacy in all areas.

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

• Continue to develop a whole school standards and target plan for 2014/2015 with timely collection of data and analysis to drive explicit teaching in whole class lesson, small groups or one on one.

• Continue profession development in introduce, use and embed Reading Comprehension Strategies (Sheena Cameron) to improve reading comprehension from Prep-10, including engaging parent participation in the reading comprehension workshops (teachers and parents learning together).
