## Quinnie's News

Term 2 / No: 9

FROM THE PRINCIPAL

23 JUNE 2025

Dear Parents/Carers,

Welcome to the last week of Term 2.

Let me start this newsletter by thanking our teachers and all the extracurricular work they do over and above. I know they have been busy over the weekend marking and completing report cards. Report cards will be emailed home on Wednesday.

I am currently working in the space of securing some knowledgeable others to help with regards to cyber safety and keeping all our students, parents and staff safe while they use the internet and their phones. Here is some general information for now. Please see attached document to newsletter.

Our school review team are here this Tuesday and Wednesday. There will be a reviewer out and about on Tuesday from 2pm. Please don't be shy and have a chat with her. Thank you to those who have nominated to talk with our reviewers.

Congratulations to all athletes who competed at QDSA last week. A special mention to our age champions and record holders.

Wishing everyone a safe holiday. School starts back on 14<sup>th</sup> July.

Have a great week,  
Trish

*Congratulations to the following students for achieving their learning goals.*

William Lowery - Maths goal - to improve his division  
Bell Kubas - Maths goal - to be able to problem solve worded questions  
Piper Bishop - Literacy goal - to progress to the next stage of PLD

## 360 Kids Early Childhood Services

Helping Children Thrive with Early Support

**Our Approach**  
At 360 Kids, we follow a key worker model, where one of our experienced Early Childhood Practitioners (ECPs) partners with families to provide tailored support. Our key workers are early childhood educators with expertise in child development (ages 0-9), specializing in developmental milestones, learning strategies and family engagement.

**How Key Workers Help**  
Our ECPs complete developmental assessment, goal setting and implement direct therapy for children requiring early intervention and support. Their assessment and intervention focus includes:

- Achieving developmental milestones
- Social skills & peer interactions
- Communication skills
- Emotion regulation & self-awareness
- Fine & gross motor skills
- School readiness & transitions

**Referral Form**

1300 340 440  
national360.com.au/360-kids  
client.support@national360.com.au

Scan QR code

After an initial session, ECPs work closely alongside our allied health team and will refer to our speech therapists, occupational therapists, physiotherapists and behavioural support practitioners where additional or specialised assistance is indicated to ensure comprehensive care.

**Meet Angela O'Brien - Senior Early Childhood Practitioner**

Angela is our local Toowoomba Early Childhood Practitioner and has 15+ years of experience in education, with a background in supporting: ■ Autism Spectrum Disorder (ASD) ■ ADHD & developmental delays ■ Complex behaviours & emotional challenges.

Her clinical interests include early childhood assessments, play-based learning, daily living skills, and social development. Angela believes every child deserves respect, time, and individualized support to reach their full potential, and she values strong, trusting relationships with families to create a shared sense of connection and purpose.

**Immediate Openings Available!**  
Angela is currently accepting new clients and offering complimentary initial telehealth consultations for local families and support coordinators to help determine if Angela is the right fit for you.

Return at least **100 containers** in one go with your Team Member Number C10650957. Keep the receipt and return it to the school for us to enter the competition. Alternatively leave your containers at the school and we will return them. More details contact Royce Jensen on 0435 572 644.

## FLEECY TRACKPANTS

# \$10

Limited stock
